+919384316143 | saivigneshpandian2005@gmail.com

## OBJECTIVE

I am currently focused on learning the fundamentals of Artificial Intelligence, including its core concepts, tools, and real-world applications. My goal is to build a strong foundation through continuous self-learning, certifications, and practical exercises. I aim to enhance my problem-solving skills and gain the knowledge required to contribute effectively to AI-driven projects and innovations in the future, both academically and in industry-oriented environments.

## TECHNICAL SKILLS

- Foundational knowledge of Python programming
- Introductory understanding of Prompt Engineering
- Beginner-level skills in Excel for data analysis

## INTERNSHIP

**AI & Prompt Engineering Intern, VaultofCodes.in** **June 1, 2025 – July 1, 2025**

- Completed a 1-month internship focusing on Artificial Intelligence and Prompt Engineering.
- Gained hands-on experience in AI concepts, prompt structuring, and practical applications.
- Recognized for sincerity, technical ability, and result-oriented contributions.

## ACHIEVEMENTS & ACTIVITIES

**Techathon 2025, Organized by Amrita University, Chennai** **January 27, 2025**

- Selected as a finalist in a national-level hackathon focused on innovation and technology.
- Competed with top teams in solving real-world technical challenges under time constraints.

**IDEATHON 2023 (Intra-Institutional Innovation Competition)** **February 9, 2024**

- Selected as a finalist for proposing an innovative solution in the field of technology during an internal college-level competition focused on creativity and problem-solving.

**IDEATHON 2023 (Intra-Institutional Innovation Competition)** **March 22–23, 2024**

- Presented a technical project in a global conference platform, gaining exposure to international research ideas and peer-reviewed project evaluation.

## EDUCATION

**B.Tech, Computer Science and Business Systems**

Panimalar Engineering College, Chennai  
Expected Graduation: September 2027

## ADDITIONAL INFORMATION

- **Languages:**  
Tamil (proficient), English (proficient), Hindi (basics).
- **Certifications:**
  - Data Science for the Beginners – Gold Certification (91%) Issued by NASSCOM (FutureSkills Prime), Dec 16, 2023 – ID: FSP/2023/12/5552116,
  - Introduction to Data Science – Job Simulation Issued by Forage, May 27, 2025  
Verification Code: zJnPGSycBBXzWxvKC
